ST JAMES’S HOSPITAL
DUBLIN

ORGANISED BY
MR ANDREW SIZER MD PhD FRCOG
CONSULTANT IN OBSTETRICS & GYNAECOLOGY
SENIOR LECTURER, KEELE UNIVERSITY SCHOOL OF MEDICINE

This will be the 10th intensive exam course for the Part 2 MRCOG written exam. Following feedback we have returned to a 2-day weekend course. We will work through the modules of the core curriculum practising SBA and EMQ questions related to key TOG articles, guidelines and other important publications. There will be two full mock papers with answers and discussion.

2-DAY PROGRAMME
DAY 1: Core module 1-4, 8-12
and Mock Paper 1
DAY 2: Core modules 5-7, 13-18
and Mock Paper 2

Comments from previous courses:
'Overall I don't think I've ever learnt this much and I'll definitely recommend this course to my other colleagues' 'The course delivered what it promised in a very concise and precise manner' 'A lot has been covered. I think this has been expertly paced' 'Extremely helpful faculty! It organised my thoughts and learning plan for the exam' 'Very well organised. Concise detailed talks'
